In 2002, the Commonwealth of Massachusetts adopted a law in an effort to protect children in Massachusetts that imposes several new requirements for all organizations and entities engaged in providing services to children 18 years of age and younger. A Criminal Offender Record Information (CORI) check is required for **all** employees and volunteers. Our goal is to comply with this regulation and provide the safest possible environment for the children we service. A CORI information sheet will be provided to you, if assigned to a volunteer position. All CORI information is kept confidential and goes to the office of Recreation and Community Programs.
